**FANA:**

Freedom Area Report 07-08-23

Our area consists of:

- Welcome Home
- Uphill Journey
- High on Life
- Gratefully Dedicated
- Primary Purpose
- Addict to Addict
- The Other Home Group
- Uptown Recovery

AND we're discussing ways to attract groups who aren't a part of Area and attracting more members to attend.

One idea is to move Area to the Fruits of Labor uptown to have coffee and food available.

We also agreed that Zoom/virtual attendance is okay for Area, other than officers/trusted servants.

We distributed 70 Basic Texts to groups in our Area following our literature fundraiser.

Our Area picnic at the river in Hinton will be August 19<sup>th</sup> w/ speakers & food.

Our Area decided to announce picture time when we announce the convention, before lunch at the chapel.

Thanks! LeeLee C.

P.S. no donation @ this time

## **GMANA:**

### **July Regional Service Meeting**

Greater Morgantown Area of Narcotics Anonymous Report. We have 22 meetings a week and 16 home groups. There are at least 2 meetings per day, with some days having online options. Our Area Service meeting is the third Saturday of every month. Our area is flourishing in attendance and service, however, we do have two meetings which have not had representation at the area level for several months and will send a representative from area to determine if those meetings are still occurring, so we may have an accurate meeting list for the newcomer.

#### **Literature**

Our Literature Committee is doing very well. Most, if not all home groups acquire literature through the subcommittee with Teisha P. as the chair. We have a literature order form with pricing and costs that each home group can fill out and bring to ASC. Once the funds are received, Teisha places the order and distributes the literature when it arrives.

#### **H&I**

Our H&I Chair position is vacant, however, we have panel leaders for each of the three facilities to which we take in a meeting: Center for Hope and Healing, DDU at Chestnut Ridge, and a new facility Wisepath. All meetings are well attended. The area was inquired regarding starting a new H&I commitment at a new facility, Lauren's Wish, however, the area noted insufficient willingness to successfully carry that out at this time. Clean time requirement for all facilities is 90 days to attend, 6 months to speak.

#### **PR**

PR Chair position is vacant

#### **Activities**

Activity Chair position is vacant, however, the area is forming an ad hoc committee for our annual area picnic; exact date to be determined, discussing first or second week in August.

#### **Miscellaneous**

No regional donation at this time.

GMANA has many service positions vacant at this time: Secretary, Treasurer 2, RCM alt, H&I chair, PR Chair, Social Media, and Activities. We are open to suggestions to increase attendance to fill these positions in the near future. Current committee members, including GSRs, have been announcing Area Service dates at meetings in attempts to get newer members involved.

Grateful for the opportunity to serve, Andy W

**MANA:**

The Mountain Area is pleased to report that we have a new group starting up on Friday at 9pm at the Ronceverte Presbyterian Church. I'm not sure of the name of the group yet. We donated a set of readings from a group that folded and gave them a coffee pot. They've been meeting for a few weeks now and we hope to see them at our next ASC and get them on the meeting schedule. Speaking of our area meeting, we have moved to the 3rd Saturday of the month for the foreseeable future. We continue to maintain several literature racks around the county. Rumor has it that Anthony Correctional Center is reopening so we are hoping to restart our H&I meeting there. We are looking forward to our camp out, the 32nd annual Fellowship in the Forest camp out, August 2-6 at Lake Sherwood.

Grateful to serve, Cooper

**AFASCNA:**

AFASCNA Report 7/8/23 The Appalachian Foothills Area of Narcotics Anonymous is doing well. We have one new meeting on Saturdays at 8pm at 4204 Emerson Avenue in Parkersburg, WV called the Not All There meeting. Meeting attendance has been growing. Overall, interest in Area Service has been low however we do have area service in August when we will be holding elections for all positions. We have no events planned at this time. We have no donation at this time.

Grateful to serve,  
Garrett N

PR Report 7-23:

We represented MRSCNA at the NASW West Virginia Spring Social Work Conference which was held on May 3-5, 2023 in Charleston. Our display was set up and attended by David C. and I from NANA and Joe B. and Liz F. from Metro. Joe was especially helpful as he had experienced this event before. We had 69 documented visitors. 21 of them left contact information (we also got 22 likes). David and I also sat on a "Mixed Recovery Panel" in a sort of meeting demonstration along with members of AA, Al Anon, and a gentleman who had an alternative path to recovery. We did our best to clearly define NA without stepping on any toes. The purpose of this workshop was to show the Social Workers what their clients could expect at a meeting. During the Q & A the subject of Medically Assisted Treatment came up. The consensus among the panel members was that while it could be a useful means to an end it was not a permanent solution. I also had the opportunity to visit other tables, answer questions about NA, and learn more about how other organizations are trying to help people. I would recommend this kind of service work to any NA member who wants to broaden their horizons.

Web Servant Report

July 8, 2023

Over the past quarter your web servant and Web Servant II have kept the web page up to date, added events and flyers, and made necessary updates to the BMLT.

**Coordinating with Phone Line:** We have 51 volunteers entered the date/time matrix on the Yap. I am sending a list of these volunteers with this report to your chair, vice chair and phonenumber chair. If they can print it, and distribute it to the ASR/RCMs, you can review and mark off any volunteers who are no longer clean or no longer wish to serve. I don't know how to sort the list by area, so you will just have to look through all 51 names. The list cannot be posted on the web page because it has phone numbers. I will send a completed list to RSCs before we go live with the Yap. I am in the process of porting the 800 phone number into the Yap from One Box. I will keep the phone line chair and your RSC officers updated as this moves forward.

**Chair and Vice Chair positions:** I continue to have willingness to be your web servant until you have someone who is willing and able to take over the Chair position. Unless you start asking for major changes, it only takes a few minutes here and there to keep it updated. I believe that Chris has served his term as Web Servant II and I don't know his willingness to be elected for another term.

**Events:** If you want your event on the web page event calendar, just send me the information or

the flyer.

**Venmo account:** Be sure to list your group or area in the comments when making donations to region

**ASRs/RCMs:** please make sure the following two items are completed:

1. PLEASE check your area's meeting schedule frequently, and let Chris and me know of any changes. It is really easy to pull out your area's meetings:
  - a. **just bring up the web page, scroll down to the meeting list and click on the area tab; choose your area, and *voila!* There are your meetings.**
  
2. Also, PLEASE, look at the printed schedule on the web page. Depending on your device, the method may vary a bit. But, from the home page, click on Meetings and then Print List
  - a. **I'd like to make sure that all the information is showing up on the printed version;**
  - b. **Zoom information and in person meetings will all fit if it is in the right place on the BMLT. I need to know if your information is not correct on the printed version.**

As always, please remember to send your requests for the web servants to the *mountaineer.region.web@gmail.com* email address.

Truly grateful to serve,  
Kay M  
Web Servant I

**Convention:**

### **Spring 2023 Convention Merchandise Report**

Hi Friends, Merchandise at the Spring Convention started off a little weird, but once the merchandise arrived in Ripley all was well. We were able to get a lot of help from a lot of different people on Friday and I am grateful for that. Going the route we did with Tish ordering the merchandise and printing it herself before and during the convention was beneficial in some ways, however I am not sure it was easier than the way we had previously done it. We do have some leftover inventory that was printed (7 tank tops, 18 t shirts, and 7 crewneck sweatshirts) that will be sold at the next convention at a discounted rate. We sold all tie dye merchandise the fastest. We have a significant amount of mugs left over. I have listed some pros and cons below.

**Pros:** Cheaper! Way more items for less money. We have a significant amount of blank inventory (hoodies and crew neck sweaters) for the next convention so we will need less money for the fall. We are able to print on site, however I think this opens the door for more confusion and more to keep track of.

**Cons:** All of the work is on one individual. All of the leftover blank merchandise had to be taken back with Tish (or wherever it went) and has to be stored until the fall. This seems to create a burden for more than one person. It was nice in previous conventions to sell out and be done with one convention and be able to move into the next one. Now, we have a lot more to keep track of as we have the leftover inventory.

**Costs:**  
 Stickers: \$171.60  
 Ink: \$331.94  
 Merchandise: \$5757.51  
 Mugs: \$536.39  
**Total Cost: \$6797.44**

**Total Gross Sales: \$11,261.00**

**Total pieces of merchandise SOLD: 578**  
**Total pieces of merchandise ordered: 822**

Remaining **UNPRINTED** Inventory:  
 134 Basic Hoodies  
 ~60 Basic Crewneck Sweatshirts

Proposed Fall 23 Budget - \$6000

Overall, merchandise went well and I am very grateful for the continued opportunity to serve in this way. I love having a purpose in Narcotics Anonymous, and I love this purpose.

Gratefully,  
 Garrett N

## **RD Report:**

### **NA WSC 2022 Regional Delegate Report CAR/CAT Results:**

**Final Tally was 107-yes 1-no 4-present/not voting \*Motion passed**

**Motion 2.** To extend terms of the WSC elected positions for the two (2) Human Resource Panel members set to expire in 2022 to 2023. (Our vote Yes {4-yes; 3- abstentions}) **Final Tally was 115 Yes, 0-No, 1-Abstention \*Motion passed**

**Motion 3.** To extend the terms of the 3 elected positions on the World Board currently set to expire in 2022 to 2023 (Our vote: Yes {4-yes, 3-abstentions})

**Final Tally was 117 yes, 0-no Unanimous Motion Passed**

**Motion 4.** To approve “A Spiritual Principal a Day” publication as ‘Fellowship Approved recovery literature (Our vote: No [3-Yes, 1-no, 3-abstentions])

**Final Tally was 109-Yes, 2-no, 1-abstentions (RD’s only) Motion Passed** [side note: Zonal Delegate separate vote was 5-0 in favor]

**End of Voting Process**

**\*\* Personal Note:** This (above) process took up a day and a half due to a long pointless debate over minutiae about whether or not a WB member could make a friendly amendment to a motion during a meeting of the entire WSC only to clarify the said motions’ intent to be congruent to the motion itself after it has already been presented to the membership at large, and voted on from group level, to area level, and to regional level prior to us being doing the business of WSC.

It truly became one of those momentary things that occasionally come up in doing service that can make service work actually feel uncomfortably dis-Unified and mentally and emotionally trivializes our goals and makes one question within oneself the point of why myself or anyone else wants to voluntarily do this work. Should it extend into a long-term habit it becomes difficult to find service volunteers. I’ve been in a few of those service bodies-even here in this room, and I’m so blessed & truly Grateful YOU Folks currently in This Room are doing the work of Our Region with love and respect for our common good and are of the mind and motivation toward service motivated in the Goal of helping one more addict in our neighborhood to find recovery.

Fortunately, within a half hour or so of day 2 common sense and rational loving hearts prevailed and we moved on. The friendly amendment was withdrawn, and a consensus that the intent was in reality clear enough to make it clear that what we’d all voted on back home matched the intent, we voted, it passed, and we moved on unified once more.

### Continuing to Discussion topics:

Our remaining hours of that remaining day and those next weekend days during our **Spring Convention** were full conference and smaller breakout group discussions on the following topics:

\*\* (I'm presenting a short version of the topics, but breakdown notes compiled from recordings and notes will be digitally distributed with c. d. e. f. g. my digital report.)

\*\*\*\* See "Future of the WSC Report to Conference Participants "(Attachment)

1. Pros & Cons of Moving to a 3-Year Cycle of WSC rather than the current 2-Year Cycle.
  - A. How do we get work done in a timely manner.
  - B. How can Zonal Forums be more fully used?
  - C. Can we use Annual or bi-annual WSC Digital meetings?
2. Opt-In Funding.
  - A. Ideas stemming from the fact that many Regions are funding their own RD's to WSC.
  - B. Any Region requesting Funding would receive it rather than regions opting out.
3. How can we use the time between meetings more effectively?
4. What needs to be or benefits from being discussed at an in person conference and what can be done virtually?
5. Who 'Needs to attend the in-person meetings in the future? Who could attend virtually?

We had a couple of information presentations which I didn't download basically because they were in PowerPoint Presentation form and because one was presented by non-English speaking folks who were interpreted well, but my discussion of their presentation would do no justice and be un-interesting at best to the Committee.

Briefly, however, the subject discussed was intended to get us discussing & addressing gaps in our fellowship development and outreach and how we might develop a better strategy to fulfill closing the gaps.

Next a gentleman discussed his regions' mode of mentoring their future service people teaching positional responsibilities for any position from GSRs to RCMs, Regional Officers, Committee memberships, RDs, etc. the process begins with sponsorship modeling service as desirable for enhancing ones own recovery processes, and recruitment of members showing promise into a sort of pre-training in things like "Guide to Local Service ", "12 Concepts for NA Service ", "Guide to World Services in NA", etc. We may think about developing some sort of mentoring program and attracting service people from our home group members if we wanted to get rotating service members rather than doing all the jobs ourselves until we burn out.

Lastly, it would appear that the Iranian Region has decided to withdraw from NAWs. I've attached some communication between WB and Iran folks and I know that more will be revealed in time.

It's an honor and privilege to serve our region and I thank you for the opportunity. You folks make service enjoyable and I try expressing that whenever the opportunity presents itself when I'm associating with our membership outside our service body. Just wanted to let each of you know that.
