GMANA:

September Regional Service Meeting

Greater Morgantown Area of Narcotics Anonymous Report. We have 19 meetings a week and 14 home groups. There are at least 2 meetings per day, with some days having online options. Our Area Service meeting is the third Saturday of every month. At the last ASC we removed

two meetings/homegroups from the meeting list as it was determined those meetings are no longer occurring. Our meeting list was updated and the Regional Webservant was notified.

Literature

Our Literature Committee is doing very well. Most, if not all home groups acquire literature through the subcommittee with Teisha P. as the chair. We have a literature order form with pricing and costs that each home group can fill out and bring to ASC. Once the funds are received, Teisha places the order and distributes the literature when it arrives.

H&I

Our H&I Chair position is vacant, however, we have panel leaders for each of the three facilities to which we take in a meeting: Center for Hope and Healing, DDU at Chestnut Ridge, and Wisepath. All meetings are well attended. Clean time requirement for all facilities is 90 days to attend, 6 months to speak, however, policy states speaking at meetings is at the panel leader's discretion.

PR

PR Chair position is vacant

Activities

Activity Chair position is vacant, picnic for this year did not occur.

Miscellaneous

No regional donation at this time.

GMANA is continuing to seek trust servants for the following positions: Secretary, Treasurer 2, RCM alt, H&I chair, PR Chair, Social Media, and Activities.

Grateful for the opportunity to serve, Andy W

MANA:

The Mountain area is hanging in there. We have 3 groups and one unaffiliated group. There is a meeting every day except Sunday. We have donation of \$650.

We had our camp out, the 32nd annual Fellowship in the Forest camp out, with good attendance. This is a 7th tradition event and passed the basket and brought in \$180. I believe everyone had a good time and for the most part the weather was great. We have another activity planned for Saturday October 14th. We will meet at the picnic shelters in the greenbrier state forest at 4pm and drive to the lookout on Kate's Mountain.

We continue to stock literature racks with meeting schedules and IP's in about ten locations. We took a meeting into the Healing Appalachia festival on Friday and Saturday night. We had a one year celebration in September. In service, Cooper

Phoneline

The Phoneline received 157 calls during the 3rd quarter of 2023. 148 were directed to an NA member, 6 to PR, 1 to convention, and 2 to other business. The average call duration was 8:27 and the most called day was Wednesday. We had 7 calls go to voicemail and I was able to contact all of them.

The Metro Valley Area hosted a phoneline workshop on September 9th – and it was attended by 11 people with five new people signing up for shifts on the phoneline.

We (Krista, Liz, Kay, and I) are currently trying to figure out how to port our phone from Onebox to Twilio. If anyone has any experience with porting from one company to another where there's no actual physical address with a real phone, we'd appreciate the help.

Web Servant Report
September 30, 2023

Over the past quarter your web servant has kept the web page up to date, added events and flyers,
and made necessary updates to the BMLT.

Web Servant Position: I see that you have resumes for the Web Servant positions. I continue to

have willingness to mentor your new Web Servant as they learn the ins and outs of your web page and BMLT. It is definitely time for me to turn this over to someone that lives in the Mountaineer Region.

Coordinating with Phone Line: The Phone Line Chair and I have set a date in October for a zoom meeting to complete the process of porting the Phone Line numbers from One Box to the Yap. Your Phone Line Chair has logged on to the Yap and become familiar with it. Once the Yap is active and running, I will be available for help if needed, but not a part of the day to day management of the Yap.

Events: If you want your event on the web page event calendar, just send the information or the flyer to the web servant email. mountaineer.region.web@gmail.com

Venmo account: Be sure to list your group or area in the comments when making donations to region.

ASRs/RCMs please make sure the following two items are completed:

1. PLEASE check your area's meeting schedule frequently, and let your Web Servant know of any changes. It is really easy to pull out your area's meetings:
 - a. just bring up the web page, scroll down to the meeting list and click on the area tab; choose your area, and voila! There are your meetings.

2. Also, PLEASE, look at the printed schedule on the web page. Depending on your device, the method may vary a bit. But, from the home page, click on Meetings and then Print List
 - a. The Web Servant always wants to make sure that all the information is showing up on the printed version of the schedule.
 - b. Zoom information and in person meetings will all fit if it is in the right place on the BMLT. The Web Servant needs to know if your information is not correct on the printed version.

As always, please remember to send your requests for the web servants to the mountaineer.region.web@gmail.com email address.

Truly grateful to serve,
Kay M
